

Embellished Kitchen Towels

Add a colorful fabric band accent to a purchased kitchen towel to perfectly coordinate with your personal home décor. A set of these towels is also a great idea for a hostess gift. Instructions are for making one towel, so repeat for the number of towels you want.

Shopping List:

- [SINGER® | Fashion Mate™ model 3333](#) sewing machine
- Basic purchased kitchen towel
- All-purpose sewing thread
- Cotton fabric strip: Depth as desired (band for towels shown were cut 4¼")
Width should measure the width-of-towel, plus 1 additional inch

Sewing Directions:

1. Fold under $\frac{1}{2}$ " on each raw edge of fabric to the wrong side of the fabric. Press.

2. Position fabric band onto towel as desired, then pin in place to secure for stitching.

3. Select the straight stitch with a medium stitch length setting. Thread the top of the machine and bobbin with all-purpose thread in a color that matches or blends with the color of the fabric band. *HINT: If choosing between two colors, opt for the darker color which will blend in better than a lighter color.*

4. Carefully stitch close to folded edge on all four sides of the fabric band. Be sure to remove pins as you sew. Sew a few reverse stitches at the end to secure.
